Dear Sir:

Please enter the following amendment in the above-referenced application.

In the Claims:

Please cancel claims 1-30, 48-52 and 55-62.

Please add new claims 66-103.

66. (NEW) A retroreflective article comprising:
- an elongate carrier having first and second major surfaces;
  - a plurality of discrete segments of retroreflective sheeting disposed on the carrier wherein
- (a) at least some of the segments are separate from an adjacent segment by a gap, and (b) the segments of retroreflective sheeting have a first major viewing surface contacting the second major surface of the carrier, and (c) the segments of retroreflective sheeting have a second major opposing surface opposed to the first major viewing surface.
67. (NEW) The retroreflective article of claim 66, wherein the second major surface of the elongate carrier is an adhesive surface.
